Australian Entertainment Services is proud to present a tribute to the ultimate, modern day showman, Robbie Williams. It features Melbourne born, Louie Lee Feltrin, an accomplished vocalist-entertainer, as the 'man' himself, taking you on a musical journey that is "The Robbie Williams Experience!"

Louie's fantastic impersonation, both vocally & physically of Robbie Williams was a highlight of the Channel 9 show, 'Starstruck.' Not only was Louie a favourite with audiences but, he has since been asked to perform his tribute at many corporate events including The Victorian Tourism Awards; Coca Cola Zero launch; Just Jeans; Cadbury Schweppes; Lasseters Hotel Alice Springs and for charity organisation, Brainwave Australia. His performances have received great reviews in various print media and on television programmes including, 'Mornings with Kerri-Anne.'

Musically the show features all the major hits including, Let Me Entertain You; Rock DJ; Betterman; Millennium; Kids and Angels. This is presented in a range of 'line ups' from Louie solo with sequenced backing tracks to leading his five member band with guitar; bass; drums and keyboards. Add the 'horn section' and Louie pays tribute to Robbie's love of swing and old time classics, as seen at the brilliant Royal Albert Hall concert in 2001. Songs like, Straighten Up & Fly Right; Mr. Bojangles; Mack the Knife; and Chicago take you back to the smooth and stylish times of the forties and fifties.

For a huge nights' entertainment, Louie and his Big Band suit up in black tie to perform the swing classics. . .and for a little extra 'showtime zing' you can add a gorgeous female dance troupe! Out of the suit and sporting one of the 'Robbie Williams looks,' Louie performs the huge collection of hits from Robbie's career so far. This is where Louie's years of experience performing to audiences of all ages comes to the forefront, as he takes on the persona of Robbie Williams, delivering the songs and ensuring his audience is up on the dance floor having a fantastic time!!

Louie takes his hat off to a modern day superstar, Mr. Robbie Williams!

It's time to "Let Him Entertain You!!"
